The Bessemer and Lake Erie Railroad (reporting mark BLE) is a class II railroad that operates in northwestern Pennsylvania and northeastern Ohio.

BESSEMER.TTF Version 1.0

This font may be used only in items that are not for sale unless written approval is requested and granted.

2 USAGE

2.1 Installation

The file is distributed as part of a ZIP file that includes this document as well as the font itself and other related documentation.

The files need to be UNZIPPED from the distribution file into a temporary work area, like **C:\TEMP.** *(I'll assume that you used c:\temp from here on…)*

Now you can install the font from the windows **CONTROL PANEL**. Your system may be different, but in many cases you would select **START → Settings → Control Panel → FONTS → FILE [pull down] → INSTALL NEW FONT**

From here you would select your new file **C:\temp\BESSEMER.ttf**

That's it, the font is installed.

As with all other TTF fonts on your system, the "**BESSEMER.ttf**" file enclosed within the ZIP file belongs in the **FONTS** folder of your windows operating system. This is the only way this file would be useful.

2.1.1 Trademarks

This font is based on photographs of commercial lettering used by the B&LE and is intended for non-commercial use only.

3 Font Layout

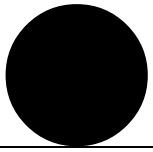

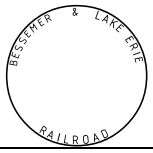

The section below explains how to use this font effectively. These are not normal fonts. They are incomplete and have symbols in places where you might expect letters.

Uppercase and lowercase lettering is a modifed ROMAN style font.
