1 BACKGROUND

1.1 EMDECO "demonstrator" Lettering font

PLEASE NOTE: THIS IS A FREE FONT. IT CANNOT BE SOLD.

What is EMDECO?

EMDECO is a 1930's/40's style Art Deco Roman font style that was seen on Electro Motive F-Unit demonstrators. The font's lowercase is specially tweaked to allow lettering to have the spacing seen on the units. The uppercase letters have normal spacing and kerning. The numbers do not reflect any numbers seen on the units but they reflect a styling that seems to fit with the lettering style.

2 USAGE

2.1 Installation

The file is distributed as part of a ZIP file that includes this document as well as the font itself and other related documentation.

The files need to be UNZIPPED from the distribution file into a temporary work area, like **C:\TEMP.** *(I'll assume that you used c:\temp from here on…)*

Now you can install the font from the windows **CONTROL PANEL**. Your system may be different, but in many cases you would select **START → Settings → Control Panel → FONTS → FILE [pull down] → INSTALL NEW FONT**

From here you would select your new file **C:\temp\EMDECO.ttf**

That's it, the font is installed.

As with all other TTF fonts on your system, the "**EMDECO.ttf**" file enclosed within the ZIP file belongs in the **FONTS** folder of your windows operating system. This is the only way this file would be useful.

3 Font Usage:

Uppercase: (font size 48)

THIS IS THE UPPERCASE SPACING. 'QUICK' AND EASY.

Lowercase Spacing: (font size 48)

ELECTRO-MOTIVE TEST CAR

Numbers: (font size 48)

0123456789

3.1 Special Keys

The logo's and letters are similar to the style used on Illinois Central and Illinois Central Gulf Diesels and Freight.

	@	Reverse Logo
	#	Logo Outline
	*	Alternate (goes with lettering from BNSFdemo font)

3.1.1 Permission

This is a copyrighted free font. It is not public domain.

It may not be edited, altered, or manipulated in any way, or used in part or incorporated into any other commercial graphic material without approval from the font author.

Give Proper Credit when used.
